

## MEDIA RELEASE

March 2019  
FOR IMMEDIATE RELEASE

### New Manufacturing Facility for ATE Tankers

April 2019 – ATE Tankers is pleased to announce that it has acquired a new manufacturing and service facility, strategically positioned across from its current premise.

The addition of the new facility will provide the business with the necessary capacity and economies of scale as it pushes ahead with its continued growth and new product range.

The total site footprint of approximately 15,000sqm makes ATE Tankers one of the largest operators in Sunshine west.

Dan Mejak, CEO says: “We are pleased to have acquired this excellent location for our VIC manufacturing and service operations. The securing of this new facility is essential to the Company’s continued growth and we look forward to updating the market on further exciting developments in due course.”

The site will be fully operational by end of April 2019.
